A - ReAwakening				View	Print
Dog Drool (Trail Review): "Dark, darker, and darkest". Headlight and / or hand lights are highly recommended as trail is rocky, rooty, and damn geo-web bear traps. Pacing description, "Don't get hit by car, flat & fast, Up, blind left turn, skinny & flat, left, left. Down, down, modest hills, don't get hit by car, aid station. Mini Aid Station.

The path to Hell is the river of death, "Styx". Your tormented soul is ours. New color is **PINK**. First 1.5 miles has 2-way traffic in opposition of Section B-Yellow. Cool off in the Hell Creek, life jacket or swim wings optional. If a shoe comes off, just reach into the mud, there are plenty of them in there. Hell Hole Bar is a good place to mail a postcard for the HELL postmark! Bag Drop Zone at end of section. Move used bag to the Drop Dead Bag Zone for return to Half Moon.

Start	End	Length	Color	Climb	Difficulty
Hell Creek Ranch	Hell	3.2 (22.7)	Pink	+260/-270	1.5
Dangerous Road Crossings		Grunge		Wetness	Poison Ivy
0		Rivers, muck		Very Wet	High

F - Bad Out Of Hell[View](#)[Print](#)

Brutal uphill road and whacked Buttslider trail of rock piles and whipsaws. Followed by a casual downhill on Poto to Silver Lake Aid. Merges with Relay 2 (Pink) about a half mile in. The section begins in the blazing fury of Hell and finishes with an optional cool splash in the lake.

Start	End	Length	Color	Climb	Difficulty
Hell	Silver Lake	2.2 (24.9)	Pink	+310/-320	1.8
Dangerous Road Crossings		Grunge		Wetness	Poison Ivy

J - Barn Burner	View	Print
------------------------	----------------------	-----------------------

Exit Farm SW corner. Easy dirt roads and Waterloo-Pinckney trail. A bit of nonsense. There may be something (card, book, pin, prom date) at the turnaround to bring back to the aid station to prove you went there. Bag Drop. Move used bag to the Drop Dead Bag Zone for return to Half Moon. Support Access.

Start	End	Length	Color	Climb	Difficulty
The Farm	The Farm	3.6 (43.7)	Blue	+210/-210	1.3
